The symbols above the tab indicate how long each note is to be held:

- = 1 beat
- = 1/2 beat
- = 1/4 beat

The letters below the tab indicate which fingers pluck the strings:

- t = pluck the string with your thumb
- ↑t = strum the chord with your thumb
- i = pluck the string with your index finger
- m = pluck the string with your middle finger
- r = pluck the string with your ring finger
- h = hammer on (don't pluck the string with your right hand, use one of the fingers of your left hand to "hammer" down on the string at the indicated fret)
- p = pull off (don't pluck the string with your right hand, use your left hand to pluck the string as you pull off of the previous note)
- ^m_i = pluck the two strings with your middle finger and index finger
